## SHLOK OF THE MONTH

शुक्लकृष्णे गती ह्येते जगतः शाश्वते मते ।  
एकया यात्यनावृत्तिमन्यथावर्तते पुनः ॥

According to Vedic opinion, there are two ways of passing from this world - one in light and one in darkness. When one passes in light, he does not come back; but when one passes in darkness, he returns.

## SCHOOL SURVEY

Should professional and technical education be imparted in students' mother tongue?

Yes	43.37%
No	56.63%

## THOUGHT FOR THE MONTH

"The beautiful thing about learning is that nobody can take it away from you."

- B.B. King

## FROM THE PRINCIPAL'S DESK...

**'Desire is the key to motivation but it is determination and commitment to an unrelenting pursuit of your goal - a commitment to excellence - that will enable you to attain the success you seek.'**

N.L. Dalmia High School unremittingly rejoices in its success as the Students of Grade X & XII with their sheer commitment and hard work have set a milestone to celebrate! Our proud achievers have performed remarkably well in the ICSE & ISC Examinations 2021-22. Their exceptional achievement is truly a landmark in their journey towards pursuing excellence.

This esteemed institution is a dream of Shri. Niranjanlal Dalmia (Founder Chairman) turned into a prosperous reality and has been soaring high ever since! Not just a school, but NLDHS is a temple of knowledge bestowing education whilst moulding young minds towards the newer evolving world of tomorrow! A place where hidden talents are discovered and refined, our school is indeed a blessing in itself! Rendering exposure that swims beyond projected reality, NLDHS has forever inspired its students to learn past open text books with a constructive chase of creativity and zest. Our ICSE & ISC 2022 results are a validation of our philosophy. Each passing year has only made us swell with pride.

For the incalculable hard work our students have put in, the insistent patronage of the parents, the commitment of the dedicated faculty, I feel delighted to extend my heartfelt gratitude and showers of Congratulations! Most importantly, I feel indebted to the treasured contribution of Our Management in providing this progressive platform to students to make a mark for them.

While the world tossed around the global medical emergencies our students chose to hang on with dedication and fervor, and that has been their real success! Their accomplishments turn out to be highly impressive as they have learnt many lessons of life in these showed years of the pandemic; and, they have emerged successful!

My dearest young aspirants of NLDHS ICSE & ISC Batch 2022, your astounding mark sheet is an active testimony to your perseverance, will power and fortitude. Embrace life with passion. Reach for the stars and perhaps much beyond that. Shine throughout and know that you are an extremely precious creation of God! May God forever grace you with His blessings!

## ISC SECTION

### Mole Concept - Unfolding the Mystery in Chemistry

Triggering inquiry is about learning something new, and triggering curiosity is no small feat.

'Inquiry-Based Learning' is a learning process that engages students by making real-world connections through exploration and high-level questioning. The students of Grade XI A (Science) were enthusiastically engaged in solving problems based on the 'Mole Concept', a topic in chemistry.

**Inquiry-Based Learning**

### The Needle Works Magic

A piece of fabric can create the magic when blended with dedication and perfection. Patchwork stitching was introduced to the classes of Grade XI. Introducing this to the students was an endeavor to bring back the warmth of the past as well as introduce students to the beauty of our vibrant culture. Students kept adding love with every stitch!

### Economics in Day-to-Day Life

The curious pupils of Grade XI (Commerce and Humanities) were introduced to the world of Economics in a rather peculiar manner. An activity was conducted where students had to scour through various newspapers and present 5 cutouts related to the subject. Supervised by Ms. Mamta Vankani (Teacher, Economics), the students were enthralled by this activity and gained a new and better perspective on the subject 'Economics'.

Mst. Hanif Alam - XI-C

**Showcasing Our Research Work**

### The Power of Your Subconscious Mind

The students of grade XII-A (Science) staged marvelous skit on 'The Power of Your Subconscious Mind'. With Ms. Sujatha Nambiar (Class teacher, XII-A) as our steadfast support, and the praise-worthy team spirit of our class, our assembly was an absolute success. The core of the assembly was to highlight the fact that the real power rests within us; which we seldom acknowledge and accept.

Ms. Myiesha Choudhary - XII-A

**Digital Assembly  
12A (Science)**

## SECONDARY SECTION

### N. L. Dalmia High School Commemorates the Remarkable Life Savers!

'The presence of a doctor is the beginning of the cure.'  
- Isabelle H.

The Doctor's Day Celebration was a week-long bonanza that witnessed eminent doctors who guided and enlightened the students of the Secondary Section about various health benefits. Dr. Vishal Parmar and Dr. Rhea guided the students on the importance of a balanced and nutritious diet in one's life, especially in the growing years. A session on 'Impact of Radiation on Young Children' was conducted by Dr. Shukla that concentrated on the side-effects of over exposure to electronic devices. Dr. Ehteshaam Khatri, an alumni of the School, conducted a session on 'The importance of Speech and Hearing in our lives'. The week also saw Seminars on 'Myth Busters about Periods' and 'Prevention of Sports related Injuries' by Dr Rajshree and Dr Natasha respectively. A very effective and insightful session on '10 things I wish I knew in Grade 10', was conducted by Ms. Tanya Mehra an ex-student of the School, wherein the focus lay upon how to manage anxiety and stress. The week-long programme culminated with a Health Camp for teachers held by Wockhardt Hospital and beheld Dr. Sameera, Dr. Rajashree and Sister Komal doing the Blood Pressure, Sugar and E.C.G. check-ups and consulting the staff accordingly.

### Jal House MSR Activity

"Kindness is giving hope to those who think they are all alone in this world."

On 9th July the students of Jal house conducted their MSR activity on the theme "Joy of giving". For this activity the students worked with the non-profit organization - Goonj. The students showcased true joy in giving as they donated items like old clothes, stationary, shoes, toys. The students collected these items in school on 6th and 7th July. On 9th July representatives from Jal house visited the warehouse to personally handover the collective donation. The students were educated about all the inspiring work done by Goonj.

Joann Chandrathil - IX-C

### Agni House MSR Activity

"Someone is sitting in the shade today because someone planted a tree, a long time ago."

Taking this thought into consideration, Grade IX teachers, students and the mistress of Agni House, decided to do their part for mother nature by undertaking a Sapling Plantation Drive on 1st of July, 2022. All the Agni house students from Grade IX were requested to bring shrubs or beautiful flowering plants which would eventually grow and add their natural beauty to the place where they would be planted. The venue selected for this "Call of Duty" was the MBMC playground opposite NG Paradise, near GCC Club Mira Road East. The event was graced by Smt. Neela Soans, Corporator MBMC.

Aaron Boodle - Agni House Captain

**PRIMARY SECTION**

**Grade II - Father's Day Celebration - MSR Activity**

N. L. Dalmia High School celebrated Father's Day for our Grade II students in a creative way. Montfort Empowerment Centre- Shelter Home for boys was given the daily essentials by the school as a MSR Activity for the noble cause. The kids wrote a beautiful letter for their fathers which was later posted. The fathers also participated in an array of activities like Best Out of Waste, T-shirt Painting, Best Foot Forward, Bottle Decoration and many more.

**Grade III - Mother's Day Celebration - MSR Activity**

The Primary Section of N. L. Dalmia High School celebrated Mother's Day on 21st June, 2022 to honour every mother for their hard work. MSR (My Social Responsibility) activity was conducted on the event of Mother's Day. The representatives of Shri Rajendra Honeycomb (Bal Ashram) graced the event with their presence. The school took an opportunity to contribute for the noble cause to make this world a better place. Wide range of fun-filled activities like Best out of Waste, Movie Making, My School Banner Making, Cake Craft, T-shirt Painting, Best Foot Forward and Shoe Decoration were arranged for Mothers.

**Grade I - Teller of Tales**

Story Telling Championship was held for class I students. The young, enthusiastic storytellers, armed with their props came forth with wonderful tales. The little story tellers won everyone's heart and were applauded.

**Grade IV - Tic Tac Toe Competition - Champions of Story Writing**

*"A professional writer is an amateur who did not quit."*

The Story Writing Competition for Grades IV was held to inspire our young writers. The objective of the event was to empower students to predispose themselves towards writing and literature in an era where social media dominates, aspiring to ignite this creative spark in the students. Students created their own story written in dialogue form using four characters shown in the picture. Students came up with an interesting story.

**Grade V - Social Studies Quiz Buzz**

*"Somewhere, something incredible is waiting to be known."*

The Primary Section of N. L. Dalmia High School conducted an Inter House Social Studies Quiz Buzz Competition for the Grade V students with great gusto. The Social Studies Quiz covered the various aspects from Historical to Geographical, Sociological to Wildlife. The Quiz also ensured to encourage students to gain general knowledge apart from subject knowledge.

**PRE - PRIMARY SECTION**

**Together we give our children the roots to grow and the wings to fly.**

Students of the Pre-Primary Section participated in a 'Say No to Plastic Drive' the aim of which was to sensitize the students to the harmful effects of plastic on the environment, human beings, and animals. Children brought waste plastic bags, containers, wrappers from home and collected them in a bin and participated in the drive organised by Indian Centre for Plastic and Environment to save the earth. It was just a small step, but a step that would go a long way in developing good practices in students.

Celebrations add flavor to memorable moments. The little munchkins of Sunflower and Nursery had a gala time by celebrating the birthday of their Teddy bears'. They were all dressed up in beautiful attire for the fun-filled fiesta and celebrated the birthday of their teddies by cutting cakes, dancing to birthday songs. The happiness and zeal could be easily visible on the faces of the little ones, wherein they learnt the etiquettes of a party in a fun way.

## SCHOOL UPDATES
