SHLOK OF THE MONTH

प्रथमे नार्जिता विद्या द्वितीये नार्जितं धनम् ।
तृतीये नार्जितं पुण्यं चतुर्थे किं करिष्यसि ।।

What can you do in the fourth part of your life, when you have not gained knowledge in the first, money in the second, and merit in the third ?

SCHOOL SURVEY

Are we losing the charm of our integrity in a world that is busy counting likes ?

Agree	87.99%
Disagree	12.01%

THOUGHT FOR THE MONTH

"There are two mistakes one can make along the road to truth: not going all the way, and not starting."

- Buddha

FROM THE PRINCIPAL'S DESK...

"Every sunset is an opportunity to reset. Every sunrise begins with new eyes."

- Richie Norton

Dear Students,

As the sun rises on a new academic year, let us illuminate the path of knowledge with curiosity, ignite the flames of passion for learning and sculpt our future with determination.

It is with great pleasure that I address you from the sanctum of educational stewardship. Being the custodian of our esteemed institution, I am honoured to extend my sincerest greetings. Each new school year represents a fresh beginning. Each day we embark on a journey of knowledge, discovery and growth and nurturing young minds into the architects of tomorrow's world.

As we look forward to the year ahead, I want to remind you of the importance of hard work, dedication and perseverance. It is a time to set goals, embrace challenges, and strive for excellence in all that we do and work together to make it a year of growth, achievement, and memorable experiences. Together we can achieve great things and make this year one to remember.

As we navigate the boundless horizons of academia, let us do so with dedication; I want to assure you that the safety, well-being, and academic success of our students remain our top priorities. We are dedicated to providing a nurturing and supportive learning environment where every student can thrive both academically and personally, learn life skills and let them stand out and make his/her mark in this global world.

Wishing you all a successful and rewarding year ahead!

Dr. Seema Saini
CEO and Principal

'ADIOS' - ICSE 2024 Farewell

"The journey of a thousand miles begins with a single step." - Lao

As the sun set on another academic year, it was time for us to bid adieu to our beloved Grade X students at N. L. Dalmia High School. The farewell ceremony served as a poignant reminder of the unforgettable memories, friendships forged and the academic milestones achieved during their time with us. It was a moment of reflection, celebration and anticipation for the journey that lies ahead. The programme commenced with a sense of nostalgia with teachers lighting lamps as a mark of blessings, wishing the students a prolific and brilliant future ahead. The venue was adorned with vibrant decorations and so were the students' beautiful and traditional attires resonating the ardour of the occasion.

Amidst the sea of emotions, the event unfolded with speeches that reflected on our students' achievements, reminiscing about their growth, resilience and their contributions to the school community. The heart-warming performances and presentations by Grade IX and X students kept the audience enthralled. From soulful musical renditions to captivating dance performances, each act served as a testament to their talent, creativity and unity. With much fervour and cheers, Master and Miss Dalmia were announced. The participating students exhibited their flawless singing, dancing and oratory talents.

As the ceremony drew to a close, the atmosphere was filled with cheers, applause and tears of joy, as we celebrated the end of one chapter and the beginning of another. While bidding farewell is never easy, we take solace in knowing that the values, knowledge and friendships cultivated during their time with us will accompany our graduating students as they embark on new endeavours and reach greater heights.

SECONDARY SECTION

Grade VI - World Health Day

On World Health Day, various activities and events take place around the globe to engage individuals, communities, governments, and organisations in discussions and actions related to health. These may include educational campaigns, health screenings, policy forums, fundraising initiatives, and advocacy campaigns to raise awareness about specific health issues and mobilise resources for addressing them. Same way on this day Grade VI participated in the card making competition to spread kindness and be better persons in life.

Grade VII - World Water Day

In the spirit of World Water Day, students of Grade VII at N. L. Dalmia High School indulged in a poster making competition, echoing the sentiment of W.H. Auden's profound words. Students poured their hearts onto canvases, transforming simple sheets of paper into poignant expressions of the global water crisis. As children worked in groups enthusiastically, they embarked on a collective journey to express the importance of water conservation through their artistic endeavours. As we reflect on their inspiring artworks, let us recommit ourselves to protecting our planet's most precious resource for the benefit of future generations.

Grade VI - World Forest Day

On World Forest Day, all the students from Grade VI participated in making a poster to generate awareness to protect our precious forests, as they are the valuable treasures that sustain life on Earth. This initiative aimed at raising awareness about the importance of forests and promoting their sustainable management. It's imperative that we recognize the vital role forests play in maintaining ecological balance and supporting life on the earth.

Grade VII - World Theatre Day

Grade VII of N. L. Dalmia High School celebrated World Theatre Day with a captivating event featuring mono acts and musical performances by its talented students. The School auditorium buzzed with energy as students showcased their acting skills through engaging mono acts, portraying characters from classic and contemporary plays with emotions and authenticity. Alongside the mono acts, musical performances added another dimension to the celebration, with students delivering soulful renditions showcasing their musical prowess.

PRIMARY SECTION

Grade III - Poetry Recitation Competition
'Imagination is the key to creativity'.

'Poetry Recitation Competition' is a stepping stone for the young students to develop their verbal skills and to boost their confidence. Each participant recited a beautiful poem using unique props. The students participated zealously and impressed the audience with their confidence. The competition helped the students to enhance their vocabulary and speaking skills.

Grade IV - World Poetry Day

Grade IV celebrated 'World Poetry Day' by composing captivating poems with perfect rhythm and words. Students rekindled enthusiasm towards poetry by exploring different styles of writing poems and their structures. Students penned down their favourite poems such as Acrostic poems, Concrete Shape poems, lyrical poems and amazed us all with their creativity.

Grade III - Science Activity - Classification of matter

The students of Grade III creatively demonstrated the arrangement of particles and classified them in solids, liquids and gases with the help of green peas and toothpicks. Through this integrated hand on experience activity, students learnt the arrangements of the molecules in any matter. This activity reinstated concept interpretation. Students enjoyed demonstrating in the class and hence it proved to be an enriching activity.

Grade V - International Day of Happiness

'International Day of Happiness' is celebrated every year on 20th March, 2024 to promote the significance of the existence of happiness in our lives. Students of Grade V celebrated 'International Day of Happiness' by creating their own 'Happiness Wall.' Students shared and penned down their thoughts that make them happy and keep their passion alive. Through this activity students developed creativity and enhanced vocabulary.

PRIMARY SECTION

Grade V - Science Quiz

“If you have knowledge, let others light their candles in it.”
Students of Grade V enthusiastically participated in the 'Science Quiz' to enhance their scientific knowledge, intellectual abilities and confidence. The students participated in the competition with a lot of excitement and enthusiasm. The varied types of questions asked triggered the curious minds and made it a fun and learning event for all. Therefore, it was an enriching and knowledge-filled experience for all of us.

World Earth Day Celebration - Dramatization

Each class enthusiastically and passionately dramatized a social message and themes like - Be kind to Earth, Clean and Green Nature, Back to Blue, Earth Warriors and many more. The drama indeed carried inspiring lessons such as - it emphasized on Save Water, do not cut trees, plant more trees, use jute bags, Avoid Plastic bags, Use Dustbin, do not pollute, and leading to a sustainable environment.

PRE-PRIMARY SECTION

Holi

We celebrated Eco-friendly Holi with our Pre-Primary students by using organic colors and fragrant flower petals., Our little ones spread joy and cheer while learning about the beauty of nature with colors and cultural traditions. The Holi celebration was an attempt to foster cultural understanding, creativity, and community spirit among our Pre-Primary students.

Parent Toddler Session

The Parent-Toddler session is always a resounding success, with laughter, learning, and love filling the air throughout the session. They engaged themselves in different sensory activities like Yoga, Messy Play, Doodling with Paint, Painting with Twigs, Tracing in Wheat, Mash Sago Activity and many more.

PRE-PRIMARY SECTION

Visit to the Bio Lab

Our Sr. Kg. students enlightened themselves by understanding the human body during their visit to our school Bio Lab. From learning about the heart's rhythmic beats to unraveling the mysteries of the brain, our young learners delved into the fascinating world of internal organs. Through hands-on exploration and interactive sessions, they gained valuable insights into the wonders of Anatomy and Physiology.

Water Play

Our Sr. Kg. students made a splash during the exhilarating water play day at school! With laughter echoing and smiles beaming, they immersed themselves in a pool filled with colourful balls. It provided the opportunity to develop fine and gross motor skills with actions like pouring, squirting, stirring and squeezing which are all important movements that lead to increased fine motor skills and hand-eye coordination.

Mother's Day

Our Pre-Primary students recently poured their hearts into heartwarming Mother's Day activities to honour the contribution and acknowledge the presence of "Mother" in our lives. They crafted personalized takeaways for their mom, and showcased their creativity. The day that recognizes the essence of a mother was celebrated in high spirits and merriment.

Good Manners Act

Having good manners teaches children to respect and communicate in the right manner. Saying thank you shows appreciation, while saying please shows thoughtfulness. Manners also display gratitude instead of entitlement, which can speak wonders about a child's personality. Thus, teachers dramatized Good Manners to help the students to understand ways of communication.
