

Indian School Certificate (ISC) for the A.Y. 2026-28

The '**Council for the Indian School Certificate Examination**' is a student friendly Board, providing a strong foundation base for career development and lifelong learning. The ISC curriculum of this

Board is a natural progression of ICSE curriculum and is a two-year course of study recognized as the equivalent of the two-year Pre-University course in various states of India. Students of Class X (AY 2025-26), ICSE curriculum or its equivalent are eligible to take provisional admission in the ISC program for Academic Year 2026-27. The ISC curriculum offers the choice of subjects as given overleaf. Students desirous of following a specific career path can choose from these subjects. All candidates are required to appear for five subjects.

Eligibility Criteria to register for the Class XI-ISC programme:

An aptitude & entrance test along with the academic track record of the students (Std VIII, IX, 1st Term and Pre-Board Results & Boards of Std X) will be considered for admission and subject selection in ISC.

School Timings:

6:55 am to 12:35 pm

Sharpening the development of student's confidence, intonation, public speaking skills, organizational skills and collaborative teamwork, the ISC section persistently delivers perfection!
