SHLOK FOR THE MONTH

वाणी रसवती यस्य, यस्य श्रमवती क्रिया ।
लक्ष्मीः दानवती यस्य, सफलं तस्य जीवितं ॥

Success comes only through hard work and action, not just by dreaming or hoping. Even a powerful lion must hunt for its food - it cannot get food by simply sleeping. Similarly, we must work hard to achieve our goals.

THOUGHT FOR THE MONTH

"Some people dream of success, while other people get up every morning and make it happen."

- Wayne Huizenga

FROM THE PRINCIPAL'S DESK...

Milestone achieved with absolute brilliance!!!

A glorious clean sweep in the ICSE Board Examinations 2026 and outstanding results in the ISC Board Examinations have brought immense pride and honour to N.L. Dalmia High School.

The school scripted a remarkable chapter of success with three students emerging as All India ICSE toppers. **Sonit Devpura** secured an exceptional **100%**, **Shivangi Patel** achieved a phenomenal **99.80%**, and **Arqum Ansari** scored an outstanding **99.60%**, reflecting the institution's extraordinary standard of academic excellence and dedication.

These achievements stand as a testimony to the unwavering dedication, smart planning and relentless efforts of our students, teachers, and parents. The incredible glory brought to the institution this year will remain etched in the history of the school with great pride.

Equally inspiring were the ISC results, where **Bhargav Sen Bhowmick** achieved a spectacular **99.25%**, securing the top position. **Yashasvi Munjal** secured the second position with an outstanding **98.25%**, while **Arnav Chandra** stood third with an excellent **98%**.

The exceptional board results are also a reflection of the fireless efforts and commitment of the School Management, Principal, Vice Principal, and teachers who worked relentlessly to guide and mentor students at every step. Their constant encouragement, strategic academic planning and personal attention created an environment where learners were inspired to aim high and achieve their fullest potential.

No success story is complete without acknowledging the unconditional support and sacrifices of parents. Their faith, encouragement and emotional strength became the backbone of the students' journey. As we celebrate this remarkable milestone, may our students continue to uphold the values of humility, integrity, and perseverance in every sphere of life. Let this achievement serve as a reminder that with patience in difficult times, perseverance in moments of struggle and sincere hard work guided by wisdom, every goal becomes attainable.

Dr. Seema Saini

Farewell Ceremony for ICSE Batch

The school organized a heartfelt farewell ceremony for the ICSE Batch of 2025–26, marking the end of a memorable journey and the beginning of new aspirations. The event was filled with emotions, gratitude, and joyous celebrations. The programme commenced with a warm welcome, followed by inspiring words from the Principal who encouraged the students to face the future with confidence and integrity. The juniors put up delightful performances including dances, band and games making the evening lively and memorable. A special segment was dedicated to MSR activity for sponsorship of a girl child's education. Titles and awards were also presented, adding excitement and appreciation to the occasion. The ceremony concluded with dj , dinner and best wishes for the students' bright future. The farewell was truly a beautiful blend of nostalgia, celebration, and hope, leaving behind memories that will be treasured forever.

PRE - PRIMARY SECTION

Sports Day 2026

The Pre-Primary Sports Day 2026 was a joyful and energetic celebration that brought together our young learners, teachers, and parents in a spirit of fun and enthusiasm. The event began with a lively Friendly Walk, where children showcased confidence and excitement. What made this year's Sports Day truly special were the creatively designed theme-based races for each grade. The Sunflower students enjoyed races based on Rhymes, the Nursery children participated in exciting Superheroes-themed races, Jr. KG students brought stories to life through their Stories-themed races, and Sr. KG students spread meaningful messages through their theme "I Love My Earth." To make the day even more special, every child was awarded a participation trophy, making them feel valued and motivating them to take part with confidence and joy. The event beautifully celebrated sportsmanship, inclusivity, and the spirit of learning through play, leaving behind happy and memorable moments for all.

PRIMARY SECTION

Parents' Day Out – A Celebration of Togetherness and Joy

Our Grade 1 Parents' Day Out was a vibrant celebration filled with enthusiasm, laughter, and meaningful bonding between parents and children. The event was thoughtfully designed to create a joyful platform where families could step away from routine and engage in fun-filled, interactive activities together. The day began on an energetic note with outdoor games such as Tug of War, Penalty Shootout, and Kabaddi, where parents showcased their sporting spirit and teamwork. The cheers and excitement from both children and adults created a lively and spirited atmosphere. Creativity took center stage with activities like Pot Painting, T-Shirt Painting, and Poster Making, where parents expressed their artistic flair. The Poem Writing activity added a thoughtful touch, allowing participants to pen down their emotions and creativity in words.

The Cold Cooking activity was a delightful experience, as parents crafted delicious and visually appealing dishes without the use of heat, demonstrating both innovation and presentation skills. One of the most entertaining highlights of the day was the Parents' Dance Competition, where parents lit up the stage with their energetic performances, bringing smiles and applause from the audience. The Twinning Competition added charm to the event, as parent-child duos dressed alike, reflecting their beautiful bond. The celebration concluded with the much-awaited Super Dad and Super Mom titles, recognizing the enthusiasm, creativity, and active participation of parents throughout the event.

PRIMARY SECTION

Grade I - Little Hands, Big Change

On the occasion of Earth Day, the Grade II students participated in a poster-making activity in class. They created posters on the theme "Save Earth" and wrote meaningful slogans to convey their message. The students also spoke a few lines on the importance of trees in protecting our Mother Earth and spreading awareness about planting more trees.

Grade III - World Book Day Be a Character

Grade III students celebrated World Book Day with great enthusiasm by dressing up as their favourite book characters. The classroom came alive with colourful and creative costumes. Each student confidently introduced their character and shared why they chose it. The activity encouraged reading habits, boosted confidence, and enhanced speaking skills. The creativity and effort displayed were truly commendable.

Grade III - World Health Day Celebration

The students of Grade III celebrated World Health Day in a fun and healthy way by bringing fruits, vegetables, and nutritious snacks in their lunch boxes. Each child proudly showed their healthy food and spoke a few lines about its benefits in the class. The activity helped students understand the importance of eating healthy food. They learned that fruits and vegetables give us energy, keep us strong, and protect us from diseases.

Grade IV - Slogan Writing World Health Day

On the occasion of World Health Day, Grade 4 students participated in a fun and creative slogan writing activity. The young learners shared catchy slogans like "Healthy Habits, Happy Hearts" and "Be Fit, Don't Quit!" The activity encouraged them to reflect on the importance of healthy living. It also helped boost their creativity and awareness about good habits. The session was lively, meaningful, and engaging for all. Overall, it was an inspiring experience for the students.

PRIMARY SECTION

Grade IV - Joy of Reading (World Book Day)

On World Book Day, Grade 4 students celebrated the Joy of Reading by spending time reading books in class. The classroom had a calm and focused atmosphere as students enjoyed reading and exploring new ideas. The activity helped students develop concentration and build a habit of regular reading. It was a peaceful and meaningful experience that encouraged everyone to enjoy reading every day.

Grade V – Snowflakes Promise Activity

Inspired by the poem Stopping by Woods on a Snowy Evening, Grade V students participated in a creative activity where they made paper snowflakes and wrote meaningful promises on them. The activity encouraged students to reflect on the poem's message of responsibility and commitment. Each student beautifully designed their snowflake and expressed a personal promise, highlighting values like hard work, kindness, and perseverance.

Grade V: World Heritage Day – Brochure Making Activity

To celebrate World Heritage Day was conducted a Brochure Making Activity for Grade V students on 13th April 2026 in the classroom. The activity aimed to promote awareness about preserving cultural and natural heritage while enhancing creativity and research skills. Students created informative brochures on famous heritage sites and traditions they presented interesting facts and meaningful messages, encouraging respect for history and cultural diversity.

Grade V C - Earth Day Digital Assembly

Grade VC presented a vibrant digital assembly on the theme Earth Day on 20th April. The assembly beautifully highlighted the importance of caring for our planet through an engaging skit, catchy slogans, and a heartfelt pledge. The news segment and amazing facts added knowledge and curiosity about the environment, while the birthday celebration brought smiles to everyone.

SECONDARY SECTION

Grade VI - Pages in Motion

Literary week kick-started with Grade 6 performing curriculum-based acts, titled "Pages in Motion." Students successfully transformed static text into dynamic action, demonstrating deep reading comprehension by identifying key performable scenes from their English curriculum. They excelled in character embodiment by focusing on vocal projection and physicalizing the traits of literary protagonists, while mastering foundational stagecraft such as blocking and maintaining the "fourth wall." Through this process, students proved that literary understanding is most profound when it is experienced physically and shared with an audience.

Grade VIII - The Soliloquy Series

Day 3 witnessed the popular characters of Shakespeare alive as the Grade 8 students presented "The Soliloquy Series." The young actors tackled the intellectual rigors of Shakespearean drama, demonstrating a sophisticated command of "heightened language" and the rhythmic pulse of iambic pentameter. Moving beyond mere recitation, the students achieved a wide emotional range, utilizing nuanced acting to convey the complex internal conflicts and subtext rooted within the Elizabethan psyche. By justifying their character's motivations through rigorous textual evidence, the students proved their ability to analyse classical literature through a lens of psychological depth and performance, bringing the Bard's timeless words to vivid, contemporary life.

Grade VII - A Street Symphony

Day 2 of Literary Week was drum rolled with the vibrant energy of our Grade 7 students as they presented "A Street Symphony," a high-octane showcase that mastered the art of the "Street Play." They showcased remarkable ensemble work, utilizing group coordination and physical theatre to creatively construct rhythmic scenery and props with their own movements. Beyond the technical skills of performance, the exhibition highlighted the students' successful integration of core human values-such as empathy and compassion-into their craft.

Grade IX - The Grand Finale – A Renaissance Revival

The culmination of the literary week was the grand finale, aptly titled "A Renaissance Revival," which served as a magnificent capstone project for the Grade 9 students. This showcase demonstrated their unique ability to curate a multi-dimensional tribute to the 16th century, masterfully blending rigorous historical research with creative artistic flair. During the "Rendezvous" segment, students engaged in sharp conversational improvisation that highlighted their deep historical knowledge, while the fashion show allowed them to display a sophisticated mastery of the symbolic importance of Elizabethan costume design. Throughout the production, the students exhibited significant leadership and maturity, taking full ownership of both the technical execution and the artistic elements of the revival.

SECONDARY SECTION

Active Learning: Units in Physics

The activity on *Fundamental and Derived Units* was successfully conducted in Class IX A. Students were divided into small groups and provided with flash cards containing different units. They were asked to identify and classify each unit as either fundamental or derived. The activity created an engaging learning environment where students actively participated and collaborated with their peers. Through discussion and group interaction, they were able to strengthen their conceptual understanding of the topic.

Rural Governance Made Simple

Students of Grade 6 participated in an activity on “Local Self Government – Rural” aimed at helping them understand the concept of rural governance, including the structure and functions of Panchayati Raj institutions. The session focused on enhancing conceptual clarity through interactive and visual learning methods, encouraging active participation from all students. It enhanced their engagement, strengthened retention of concepts, and increased their awareness of governance at the grassroots level.

Decoding Global Time

Grade 9 students from sections A, B, and C participated in an engaging Geography activity titled “Decoding Global Time.” The activity aimed to simplify concepts like local time, GMT-IST conversion, and the International Date Line. Students used self-made colour-coded circles to visually represent directions, calculations, and date changes, making learning more interactive. They worked collaboratively in groups while solving questions individually to ensure better understanding and accountability. Selected students explained their answers, building confidence and communication skills. The activity encouraged active participation and made complex concepts easier to grasp. Overall, it enhanced conceptual clarity and made learning both effective and enjoyable.

ISC SECTION

Hands-on Capacitor Activity

The Physic Teacher, Mr. Manmohan conducted an engaging and hands-on activity on the topic “Making of a Capacitor,” where students actively explored the fundamental principles behind capacitors through practical application. The activity not only reinforced their theoretical understanding but also encouraged curiosity, collaboration, and deeper insight into the working and construction of electronic components. Through guided experimentation, they observed and compared the varying intensity of the electrical discharge, deepening their insight into the behavior and functioning of capacitors in a safe and controlled manner.
